For more information about the couple below, I need your help.

It concerns the fourth son of **Cornelis Buizert** and **Adriana de With**. (See above no. 4)

Their son **Cornelis Marinus Buizert** (1900-1951),
who married to

Gerarda Berndina Jansen (1898-1998),

Gerarda Berndina Jansen was born in Duiven, Gelderland.
And she would have died in Toronto, Canada.

This could mean that she, after her husband's death in 1951,
would have emigrated to Canada (Toronto).

She may have traveled with one of her children.

- a. After the Second World War, her daughter and her Canadian husband emigrated.
- b. In 1952, her son and wife also emigrated to Toronto, Canada

**I hope you can and want to give me information about this couple and their children,
in particular how and when they emigrated**
